Dave Waco Places First With 2 Hours, 33 Minutes For 48-Mile Circuit

Individuals and organizations that officiated over the first annual bicycle races in Palos Verdes last Sunday stated yesterday that the event was a huge success in spite of the heat.

Riders from San Diego to San Francisco participated including National Champion Jack Disney, Alhambra.

Heading over the Crenshaw hill and the Via Nogales hill the course is recognized as one of the toughest in Southern California.

Helpful residents along the route cooled many of the riders with lawn sprinklers, water sprays with hoses, even with pails of water as they passed by.

Winner of the first event was Dave Waco, representing the Santa Monica Cycling Club, who pulled into the lead in the second lap

and held it up until the finish. Known as the "Mountain Goat" he took over the lead from Disney.

Palos Verdes police, members of the sponsoring Kiwanis Club and residents along the route of the race expressed pleasure at the conduct of the race and indicated that they would like to have it become an annual event.

Finishes in order were: Class A: Dave Waco, Dave Sharp, Jack Disney and Ron Kohler.

Class B: Knox, Anafantis, Dowty, Ennis.

Class C: Upson, Bruce, Murtion, O'Brian, Berger, Townes, DeKramer, Green.

Novice: Tenny, McDonald, Pray, McKeever, Larkin, Nieto, Cowel, Betencourt, Edwards, Lawson.

Trophies and merchandise prizes were awarded in each class.

Local Golf Course Now Second Most Heavily Played In United States, Reports County Survey in Area

The Western Avenue Golf Course, which just a few years ago was under threat of being subdivided for residences, is now the second most heavily played golf course in the United States,

according to Supervisor Kenneth Hahn, under whose leadership the County acquired the course in 1954.

The most popular, or heavily played golf course in the United States, is also in Los Angeles County. It is the Rancho Golf Course in West Los Angeles, which is operated by the City of Los Angeles.

In 1960 there was a total of 141,064 rounds played at the Rancho Golf Course for a daily average of 402 rounds. At the Western Avenue Golf Course the total was 125,317, or a daily average of 337 rounds played.

RECORD PLAY

"The record play at Western Avenue Golf Course demonstrates the wisdom of the Board of Supervisors in preserving it as a major recreational facility for the people of Los Angeles County," Supervisor Hahn declared.

He pointed out that it has been fully self-supporting under County operation and

has in addition returned a net profit of about \$80,000 a year to be used in providing additional public recreational facilities.

In 1953 the Western Avenue Golf Course property was about to be sold and it was anticipated that the land would be subdivided and made into a residential area.

Preston Petty Heads Roster Of Cyclists Saturday

Preston Petty, Woodland Hills, and Sid Payne, Bakersfield head a field of sixty riders who will do battle in Saturday night's USMC Motorcycle races at Gardena's Western Speedway, where a eighteen event program is carded.

Petty, fresh out of a cast, from a broken foot three weeks ago, returned to action two weeks ago and swept the program, winning his heat race, the trophy dash, and main event riding a Triumph. This week he goes for number two, after stopping Jim Hunter's perfect record of the week before. Hunter was held down to a fifth in the main event after suffering carburetor trouble. Payne captured the Open Class T.T. two weeks ago.

While Petty and Payne have been cleaning up the program in the open races, a San Diego flash, Calvin Rayburn, has won nine races in the Lightweight class in the opening two weeks of racing. gram two weeks ago, and Ed Connors, Garden Grove,

Rayburn missed the pro-topped that lightweight riders. Others entered are Doug Christopher, Los Angeles; Ronnie White, Burbank; David Hamm, Riverside; Eberhart Zimmerman, Redondo Beach; Joe Kabey, Torrance; Johnny Ray, Wilmington; Bob Castle, Los Angeles; Eddie Worth, Manhattan Beach and Digger Helm, Bakersfield.

Western Speedway is located at 139th and S. Western Avenue in Gardena.
